Community Invitations. Going out and inviting others to join the Christian community is a ministry that has been with us from the very beginning. Michael is seeking anyone who is willing to accompany him in this ministry of outreach. It involves knocking on doors and visiting businesses to introduce St Barts and asking how we can be praying for them and our community. Please let Michael know if you are interested. 0417263354.

NEWS HIGHLIGHT

PUBLIC LECTURE:

The Bible in the Age of AI

At the moment it seems like every article you read or business update has something to say about Artificial Intelligence (AI). In this new age of technological development, what does the Bible have to say?

Each year we host the Public Lecture to purposefully engage with a topic that is relevant for us and those we work and live with. This year Stephen Driscoll is joining us to unpack *The Bible in the Age of AI*. You don't need to know anything about AI to come along! The format of the night is very simple: a talk, time for Q&A, and conversation over hot drinks.

Stephen Driscoll works in university ministry in Canberra for the Australian Fellowship of Evangelical students. He wrote 'Made in Our Image: God, Artificial Intelligence and You' which provides a biblical way of thinking about AI.

**Friday 7 August,
7:00-8:30pm**

There are a number of ways to be involved:

 **Invite & Register:** Pick up a postcard, share the event online, and invite some friends along! Cost is \$15 per ticket, in-person or online. stbarts.com.au/publiclecture

 **PRAY:** Please be praying for courage in invitation, open hearts to respond, Stephen's preparation, and that God would be using this event to draw people closer to Jesus.
