NEWS HIGHLIGHT

NEW System: ChurchSuite

In order to make it easier to register for events, manage your details, communicate with small groups, and support those who serve, we are moving to a new 'church management system' called ChurchSuite (previously we used Elvanto). For a range of reasons, it became necessary to make the change, but it will also be really positive in helping us in our mission and ministry.

You are welcome to download the *Church Suite* app today. It is an easy way to see what is coming up, sign up for events, check your roster, submit unavailabilities, or listen to the sermon podcasts. There are just two steps to get started:

1. **Create a Password.** Go to login.churchsuite.com, search for "St Bart's Anglican Church" and select "My ChurchSuite". Here you can set a password.

2. **Download the App.** Search for "ChurchSuite" in the IOS or Android app store.

If you'd like assistance in setting it up, have a chat with Michael today..

If you currently serve on a Sunday, the weekly serving reminder emails will just look a little different. We will still be emailing the PDF roster and printed copies will still be available, but as part of this change (and to protect privacy better), we will stop publishing rosters on the website.

If you have any questions at all, please don't hesitate to let me know - very happy to help.
