NEWS HIGHLIGHT

As we seek to *make, mature, and multiply* disciples of Jesus, it's important to prioritise the celebration of significant milestones in people's faith journeys and also actively obey Jesus' command—including the command to baptise.

Before the end of the year, there will be opportunities for baptism (infant and adult), dedication of children, and confirmation. If you would like to know more about any of these, please collect a copy of our guide on 'baptism, dedication, and confirmation'. *Please also feel free to discuss it with one of the ministry team.*

Confirmation (November 23): When an adult has been baptised as a child, but desires to make a public declaration of faith, this is an opportunity to 'confirm' the promises made at their baptism for themselves and invite the congregation to support them in prayer. Confirmation is in no way a replacement for baptism, but still is a significant step for (usually) younger people to make a public declaration of 'owning their faith' for themselves.

Confirmation is open to anyone of high school age (or above) and preparation is also provided. Typically we meet one-on-one or in small groups for a four-week course to consider the life, death, and resurrection of Jesus through the lens of the Gospel of Mark. During the course, we also examine the confirmation promises. Our next opportunity for confirmation is when Bishop Cameron is visiting on November 23.

If you would like to know more, please let me know.
