NEWS HIGHLIGHT

Identifying, encouraging, developing, and sending Gospel workers has long been part of the mission of our church. Over the past decade, it is with great thanks to God that we have witnessed:

- Four people ordained as priests and sent out to serve in other churches.
- Eleven interns developed (64% continue) to serve in paid local church roles.
- Several missionaries sent out locally or overseas.

What a kindness of God that he invites us all to participate in his mission and that he raises up some

to be ministers, chaplains, and missionaries. We have so much to give thanks for, however, there is still so much — under God — to do. We have felt the pain of insufficient workers for the harvest locally, but this is also a concern for the whole church. That's why raising up Gospel workers was a key mission priority of VISION 2025.

As we develop VISION 2030 (which we hope to launch sometime mid next year), we anticipate that multiplication of leaders will have an even greater focus. So with that in mind, we're launching a 2026 training fund to help us get going with a renewed focus on raising up Gospel Workers.

We're prayerfully seeking to raise \$50,000 before the end of this year to help resource three key initiatives in 2026:

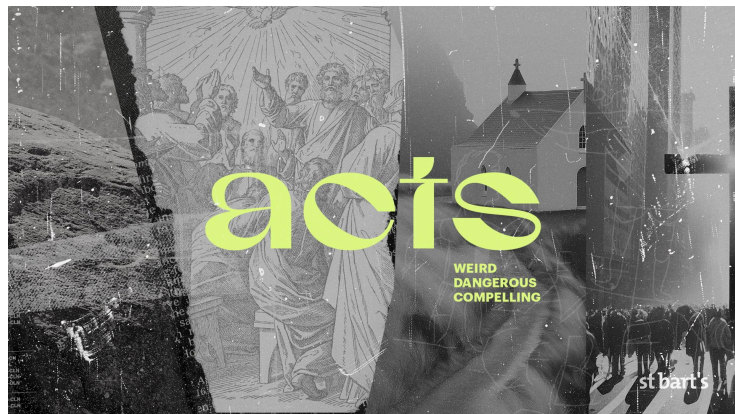

- (a) a bursary to enable someone to commence theological study; (b) employing more interns; and (c) resourcing a coaching group (led by a faculty member of Ridley) for those currently in the process towards ordination (in 2026 we're anticipating 3-5 people from St Bart's!).

If you would like to make a contribution (via direct debit or online), simply visit: stbarts.com.au/trainingfund

If you would prefer, you can also just deposit funds into our giving account but marked with 'Training 2026'.

I'm so thankful to God for the Gospel partnership we share and look forward with anticipation to how God will continue to be at work through the life and ministry of his church.
