NEWS *HIGHLIGHT*

Our annual Christmas workshop is a great way to gather together just before Advent and prepare to celebrate the birth of our Lord and Saviour.

This year we have created the most incredible custom Brick Nativity Set for households to purchase, build, and display in their homes.

Our Christmas Workshops are intentionally designed to engage the community and bring people back to the real meaning of Christmas. It's perfect for inviting your neighbours, friends, families from our mid-week ministries, or extended family that have drifted from church.

Come along to the workshop and construct your very own full nativity set using brick pieces, all whilst enjoying a BBQ dinner and music. Kits are limited and will sell out.

Each ticket includes entry for your whole family/household to the Christmas Workshop plus all the pieces you need to create a brick nativity set (complete with stable, manger, Mary, Joseph, baby Jesus, star, and three animals). (See picture).

We encourage you to bring a container or tray along to store all your bricks and also to make it easier to carry your creation home.
