

TERM ONE, 2026

prayer guide

Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.

— 1 Thessalonians 5:16-18

Prayer is the engine room of our church as we seek to *make, mature, and multiply* disciples of Jesus. As a church, we pray individually, as families, when we gather on Sundays, in small groups, through prayer chats, groups, and lists, and at our all church prayer nights each term.

You can use this prayer guide at our prayer night but also for personal and small group devotion. For more information on our *prayer groups, prayer chats, and prayer lists*, visit our website:

3. Making Disciples of Jesus
4. Ministries & Mission of St Bart's

PATTERN OF PRAYER

For each of our focus areas, we have a three fold pattern of prayer:

- **Thank You.** Expressing our gratitude to God for his faithfulness and provision.
- **Sorry.** Repenting for our sin and the ways we fall short. Includes lament for the brokenness of our lives and world—the damage we do/experience.
- **Please.** Seeking God's will for our lives, church, and world. Entrusting our requests to God and trusting his will.

Persecuted Church & Global Mission

God is active in the world, drawing people to himself through his Son and in the power of his Spirit. Ever since the inception of the church, Christians have faced persecution. For more information on how to pray for the persecuted church, visit [Open Doors](#).

THANK YOU

- For the faithful witness of Christians across time and place, especially for those facing persecution.
- For the significant growth of the church in many places in the world in which it is dangerous to believe.
- For how the gospel is going out to remote and isolated places. Give thanks for how the Bible is being brought to people in different languages and dialects.
- That even in the face of persecution *that you are present with every believer.*

SORRY

- For when we forget the plight of the persecuted church.
- For our inconsistency of praying for the mission of the global church, especially in those places that face persecution and the threat of persecution for their faith.
- For when we fail to grasp the significance of the Gospel opportunities that we have in Australia and on our frontlines.
- We lament all forms of persecution of Christians and the church.

PLEASE

- Please protect and give strength to those who face any type of persecution and suffering. Provide for them according to their needs.
- Protect, nurture, and give strength to the underground church in Algeria, Libya, Iran, Afghanistan, and China.
- Release Christians who face false blasphemy accusations in Pakistan.
- For peace and safety for Christians in Nigeria facing hostile attacks.
- For perseverance for those Muslim-background believers in Iraq.
- Move the global church to be generous to those who are most vulnerable.
- To sustain believers who have been physically harmed and/or isolated for becoming followers of Jesus.
- For boldness and wisdom for believers to share their faith and that people would come to Christ.
- Move us from apathy to lives shaped by faithful and persistent prayer.

Frontlines including Workplaces

Our work, places of work, and those with whom we work, all matter to God. This term we are praying with a focus on *carers*.

THANK YOU

- For the dignity of work and for the ways in which we can serve God's mission through what we do, where we serve, and with whom we work.
- Thank you for the opportunities through work we have to model godly character, make good work, minister grace and love, mould culture, be a mouthpiece for truth and justice, and be messengers of the gospel.
- For the multitude of people who serve behind the scenes, often in areas of work that are critical for our society.
- For those committed to training, apprenticing, and developing people.
- For the carers of family members, aged people, and for those with disabilities. Thank you for their generosity, compassion, and care.
- For the many Aged Care and Home providers, and for the dignity, care, and respite they provide.

SORRY

- For when we neglect our workplaces, fail to pray for our colleagues, or are hesitant to embrace Gospel opportunities before us.
- For when we skimp on our commitments or let colleagues down.
- For when we evaluate people (and ourselves) by the work that we do.
- For the ways we are blind to the service of others through their work.
- We lament the brokenness of some workplaces, the challenge it is for many, and imperfect systems.
- For how we are quick to forget the unseen work of caring done in homes.
- For how we undervalue the work of caring, and its demands on families and workers emotionally, physically, and financially.
- For our failure to show compassion and be flexible in friendship, with those who have additional caring obligations.

PLEASE

- Help us to see how God is at work on our frontlines, in and through us.
- Give wisdom and patience for carers negotiating the aged care system which often involves a patchwork of services, portals, specialists, and support programs that can be confusing and frustrating.
- For God to sustain the emotional and physical wellbeing of carers as they carry a heavy load often in the isolation of their homes.

- For friends and family to find ways to nurture and sustain those carrying a burden of care.
- For those who are waiting for assessments and care packages for loved ones.
- For patience, wisdom, strength, and joy in the day to day care, especially in navigating frequent medical appointments, and financial and physical demands of caring.
- For those who feel alone and restricted because of the onus of their caring obligations.
- For those negotiating all the hurdles of financial and personal challenges involved in seeking out respite and long term at home and long-term care places.
- For informed and compassionate care from all medical, allied health, and nursing workers.
- For those starting placements and seeking work in Aged Care and Disability support work, for the ability to do their work in challenging contexts with patience and love.
- For the Aged Care and Home Providers in Toowoomba and Brisbane, that they would be able to offer and supply affordable services with dignity and respect.
- For a greater interest and understanding of the pressures people face on all their frontlines.
- For the fruit of the Spirit - love, joy, peace, patience, kindness, goodness, gentleness, and self-control - to grow and be present for those giving and receiving care.

AREA THREE: EVANGELISM

Making Disciples of Jesus

As part of our response to the great commission, part of our mission as a church is to help people become followers of Jesus. We long and pray for people to put their trust in Jesus as Saviour and Lord. We take our part in the power of God's Spirit, joining in with what is God's ultimate work.

THANK YOU

- For all who have witnessed to us, prayed for us, and discipled us in our faith. Also for the privilege we share in doing the same.
- For those in our church (young, old, and in between) who have become followers of Jesus or come back to faith last year.
- For the wonderful opportunities to share the Gospel with many people who don't yet know Jesus, at both Carols and Christmas Services.
- For the thirty-six people who explored faith at Alpha in 2025. Pray that they would each trust in Jesus as their Lord and Saviour, and that the Lord would

multiply the witness of new Christians.

- For the people who don't yet know Jesus, who have come along to the Church Plant in Brisbane.
- For those currently exploring Christianity or considering coming along to Alpha in February.
- For the opportunities on all of our frontlines to both show and share the Good News of Jesus.
- That we have incredible freedom in Australia to proclaim the Gospel without the fear of persecution.
- For the growing openness to faith we are witnessing in our community.
- That many—people who are not yet believers—who feel welcome to join us on Sundays (in-person and online).
- For the opportunity to share the Gospel with children and youth each week, at Kids Club and CHARGE Youth.

SORRY

- For when we fail to take seriously nor actively pray for our part in the proclamation of the Gospel.
- For when we have grown tired or apathetic towards sharing the Good News with other people.
- For when we think it is impossible that God could change the hearts of those we love.
- For times in which we have been timid in sharing our faith.

PLEASE

- Embolden us with the Spirit to recognise Gospel opportunities, have

the wisdom in knowing what to say, and the courage to actually speak.

- For God to prepare the hearts to whom we go that they might be receptive to inviting and the Good News.
- Give us eyes to see who we might invite to Alpha, courage to invite, and that the Spirit would be preparing hearts now to accept an invitation.
- For the Alpha team, as they prepare to come alongside those considering faith or returning to faith.
- For continued conversations with family, friends, and neighbours who came along to Carols and Christmas Services - for wisdom, compassion, and gentleness in pointing to Jesus.
- That we will embrace the many opportunities in Aged Care to share the Good News and invite people to put their trust in the Lord Jesus.
- That those who are not yet believers and connect with our Sunday services and/or various ministries will continue to grow in their faith and become followers of Jesus. Help us to be proactive in taking our part in discipling new believers.
- For those preparing for baptism and confirmation this year.
- That our church plant will be an active Gospel-sharing community.
- That as a church we will be growing in active involvement in evangelism. Pray that each member of St Bart's would invite one person along to Alpha with them.
- That we would have a sense of urgency to share the Gospel actively in and through our lives.

Please remove any barrier that would prevent them from applying.
- *Gospel Workers:* For those who are called to become ordained ministers, whether they are still discerning or already in training for ordination, that they will be strengthened and equipped for their calling. That God will sustain and protect them so that they are sure of and committed to their calling.
